THE PHANTOM

There is an employee
that no one can see.
His name is the Phantom.
Oh who can he be?

He makes all the rides
where they cannot run.
But it's only for revenge
and not for fun.

The permanents all know him,
the CT's do not.
For he sleeps in the summer
because it's too hot.

He started in the summer
of '72.
He haunts all the leads
and the supervisors too.

He knows all the weak points
of every attraction.
He makes them all stop
just for his satisfaction.

The Phantom behaves
in strange little ways.
Sometimes he's with us
but then he's gone for days.

One day up on Skyway
the cable went dead.
We looked all around
but the culprit had fled.

The Skyway was down
for the rest of the day.
O Phantom, O Phantom,
HOORAY! HOORAY!

Pan was next
for this was a shame.
The place was hexed
and with no one to blame.

He moved on to Toad
where he blew up the train.
And the lead at unload
fell and went insane.

Onward to Mouse!
This was his cry.
He brought down the house
and made the place die.

No one knows
just when he'll quit
And stop giving us all
such a fit.

And that's the story
because we've run out of space.
But we know for sure
that this is the Phantom's place.

MR. AND MS. FANTASYLAND

Back on Saturday, June 8, Jerry Van Dyke's home in Windermere was the site of the first annual Fantasyland Pre-summer Ski Party. Everyone had a memorable day and we hope that we can have an after-summer ski party real soon.

The whole day was filled with excitement. But as the sun set in the distance and the air chilled under a moonlit sky, excitement arose as everyone awaited the announcement of MR. AND MS. FANTASYLAND. Claudia Michaud and Wayne Grimes were the winners of these coveted titles and they will reign as Fantasyland's King and Queen until some other deserving host and hostess relieve them in June of 1975. Castle Capers was there and presented Claudia with a bouquet of red roses and Wayne with a pair of Mickey Mouse ears. Congratulations Claudia and Wayne!!!

GOSSIPPING GERTRUDE ?!!

Word has it that Jackie Beatty stayed up all night in the infield of the Daytona Speedway while awaiting the Firecracker 400, just so nobody would know what she looks like when she gets up in the morning. You should see what she looks like when she stays up all night!

On Thursday nights, some of our cast members have been getting together for the "Swingers" club. Anyone interested in joining this newly formed tennis club should contact Joe Santiago at Tomorrowland Skyway.

It has finally been confirmed that Stanley Hearn is expected to become a father around February 1, 1975. Name suggestions are now being taken at Small World. How exciting!

The Dutch Inn in Lake Buena Vista is the scene of the big hootenannys which have been going on every other Sunday night. Come on out for lots of fun square dancing to the sounds of the Polished Brass. If you have any questions contact Dawn Edwards, the ringleader.

Mary Ossorio plans a big hay ride at her house sometime before the summer is over. Contact Mary for all the details on this upcoming event.

Rumor has it that the hair style for the guys is going to change soon. Castle Capers understands that all the men will have to get flat tops. Let's hope that this is just a rumor.

If you missed the employee trip to Kissimmee back in June, make sure you get in on our special overnight extravaganza on August 13. This trip, however, will be to Yeehaw Junction. It should be a lot of fun especially when we stop off at Osseo, Minnesota for lunch.

Everyone in Fantasyland is buying new cars this summer. They are really making some good deals and Dennis Johnson seems to have been the one to have made the best one so far. If you are planning on buying a new car see Dennis on how to deal. He might even sell you his car.
